

TECHNICAL DATASHEET

DETER MAC PLUS

Food & beverage / Cleaning of plants and surfaces

Detergent for floor cleaning machines.

Features

DETER MAC PLUS is a multifunction not-foaming degreasing detergent, specifically indicated for floor cleaning machines.

Fields of use

Particularly indicated for the removal of strong dirties in different locations: mechanical workshops, warehouses, meat and fruit processing industries.

How to use

Mix the product before the use. Dilute DETER MAC PLUS in the water from 1% to 5%, according to the hardness of dirt. Add the obtained mixture in the cleaning floor machine. The flushing is not necessary.

Features

| | |
|----------|-----------------------------------|
| Form: | liquid |
| pH: | 13-14 |
| density: | 1,1 – 1,2g/cm ³ @25 °C |

Compatibility

Consider the following compatibility (referred to the pure product):
